

1. I go to the paint bucket and select black and put it as the background. Then go to the pencil and select white as the color of the snow and color it on the ground.

2 Then the second thing you do is go to stamps and pick a snow flake that is blue and stamp 6 on the left and 6 on the other side.

3. The next thing you do is make a snowman that's white you go to the shapes and pick a circle make the bottom one large, middle one medium and the head small.

4. Thing you do is go to the stamps and pick out the sunglasses and make them blue and make them medium size.

5. The next thing you do is go to the shapes and pick a star and make the color blue purple and put 2 on the left and right.

6. The next thing you do is go to the pencil and select the color the color blue and make a hat that's sideways. The last thing you do is make a black mustache.
